REGISTRATION

A notice is sent annually to each faculty member from the Dean for Academic Affairs giving the date on which all faculty are expected to return to begin work for cach semester. Registration days are indicated on the academic calendar. All faculty are expected to be available to assist with the registration process. Division chairpersons notify faculty members of their specific duties at registration.

GRADUATION

The graduation of students is one of the most important events in the académic year. It represents the recognition of a student's achievement. Because of the significance of the occasion for the students and the institution, all faculty are expected to attend the graduation exercises. Caps and gowns may be rented in the spring through the bookstore if necessary.

MEETINGS

Monday, Wednesday, and Friday. This time is set aside for meetings and other functions. Faculty business meetings are held regularly on the second Wednesday of each month.

Administrative staff meetings are held each Monday morning in the Administration Building. Faculty committee meetings are called by the chairman. These meetings are frequently called for the noon hour on Mondays, Wednesdays, or Fridays. There are occasions, however, when committee business and schedules necessitate meetings at other times. The chairmen attempt, insofar as possible, to arrange times convenient for all members. Attendance at committee meetings, faculty business. meetings, and other meetings such as those of a division. or a school is a prime responsibility of every faculty member.

PROFESSIONAL TRAVEL

Attendance at and participation in professional association meetings is strongly encouraged by the university. Funds are available in each division for travel for faculty members in that division who are interested in attending such meetings. The division chairman can supply the faculty member with full information regarding the funds available for such purposes.

OFFICE HOURS

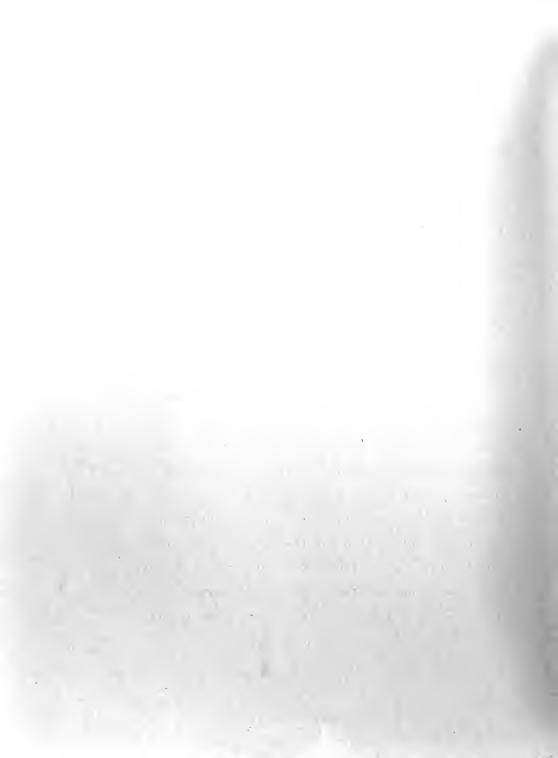

It is the philosophy of the University of South Carolina at Smartanburg that faculty and administrative personnel be easily available to students. Consequently, every faculty member is expected to post and maintain office hours. A schedule of five hours a week, or one hour each class day shall be considered as minimally acceptable.

Each faculty members should submit a copy of his schedule to his Division Chairperson.

TARDINESS-ABSENCE

Tardiness to class on the part of faculty members is frowned upon by the university. However, should an emergency delay any instructor from meeting class at the appointed hour, it has been generally agreed that the students are under the obligation of waiting at least ten minutes past the scheduled class time.

In the case of illness or other emergency necessitating absence from class, the faculty member should notify the Division Chairperson immediately so that arrangements can be made for the class. Division Chairpersons are also charged with filing monthly attendance reports for their faculty with the Business Office.

VISICIAG SPUNKERS

Any special convocations or other assemblies outside regular class meetings and involving off-campus speakers must have the approval of the Vice President prior to the invitation of speakers or performers. Normally the recommendation should be submitted by the faculty member at least two weeks in advance of the desired date to allow time for reviewing the merits of the request and for scheduling on the university calendar. Nothing is official until the event has been cleared and added to the calendar in the Office of Student Affairs. After the event has been scheduled, the Dean for Student Affairs and the Director for Information Services will assume responsibility for appropriate promotion and publicity.

EMERGENCY PROCEDURE

In case of accident or injury on campus, faculty members are asked to notify the Student Affairs Office or the Switchboard Operator.

The improvement of professional qualifications by facility members is encouraged. However, in order to minimize any disruption of the University of South Carolina at Spartanburg schedule and related activities, all plans for graduate study must be presented each semester to the Division Chairman, who will submit his recommendation to the Dean for Academic Affairs for approval. Final approval rests with the Vice President.

STUDENTS' RIGHT OF PRIVACY REGARDING GRADES

raculty members must not post, as public information on bulletin boards, office doors, or elsewhere, any grade (daily quiz, hour quiz, mid-term grade, final examination, or semester grade) of any student by name. Such practices, including associating a student's grades with his initials, have been determined by the courts to constitute an invasion of privacy. Class grades may be posted properly when the grade of an individual student on the list is associated with his social security number only.

In addition, the practice of leaving graded quiz papers indiscriminately outside faculty offices or an classroom tables could be interpreted as an invasion of privacy and is therefore prohibited.

Academic Advisement

The Dean for Student Affairs is responsible for the academic advisement program. The following procedures are presently being used:

- (1) Entering students are assigned academic advisors by the Dean for Student Affairs based on their area of interest. Transfers are assigned to the Division Chairperson for the evaluation of credits.
- (2) When the student makes a definite decision on a major he will be reassigned to an advisor in that area.
- (3) Students may be reassigned at other times upon their request.
- (4) Division Chairpersons are asked, in consultation with the Dean for Student Affairs, to designate major advisors for each major within their divisions. Other faculty members will be used to advise undecided students.
- (5) Division Chairpersons will be responsible for maintaining records of students majoring in their area. If a student changes his major this file will be transmitted to the Student Affairs Office for reassignment. Files of undecided students will be maintained by the Student Affairs Office.
- (6) Advisors for students in the Bachelor of General Studies program will be selected by Dr. Tony Pappas. He will maintain all files on these students.
- (7) Faculty members advising new students will be provided with an Advisor's Summary Sheet (see "Sample Forms") to help in advising each student. This sheet should be returned to the Student Affairs Office after advisement.

Academic Discipline

The Student Affairs Committee handles infractions of academic discipline in the following manner:

- (1) The chairman is notified of the alleged infraction by a student or faculty member. An Henor Jourt consisting of three faculty members and two students is appointed by the chairman.
- (2) All evidence, such as tests: papers, and names of witnesses should be given to the chairman with a written statment explaining the alleged infraction. A faculty member should not confront student and attempt to get a confession.

Academic Discipline

(4) The "Code of Student Academic Responsibility" that is given to students is to be found in "The Odds and Ends Catalog," page 25.

(5) Questions regarding infractions and procedures should be referred to the Dean for Student Affairs.

Master Calendar

A master calendar is maintained by the Student Affairs Office.

All faculty, staff, and student organizations should contact the

Student Affairs Office to place activities on the calendar as far
in advance as possible.

Personnel Information

The Personnel Office maintains the personnel files of all faculty members. Faculty members should notify the Personnel Office of any relevant academic activities, new degrees, changes in address or dependents, and other such information.

New Courses

Faculty requests to have a new course approved for addition to the catalogue go first to the Division Chairman. The Division Chairperson is responsible for completing the necessary form (see "Sample Forms") and submitting the request to the Academic Affairs Committee. If the committee approves, the request is then submitted to the entire faculty for consideration. No course is to be entered on the schedule without being presented to the faculty.

Independent Study Courses

No student will be allowed to register for Independent Study unless he has completed the form "Application for Source Offered as Independent Study" (see "Sample Forms"). Any student desiring to take an Independent Study course should pick up this form in a Division Chairperson's office, have it completed by the Instructor he is working under, and have all requested signatures on the form completed. The student should then bring the form for approval to the office of the Director for Admissions and Records, at which time he will be given a copy to bring to registration.

IV-J

Withdrawal of Veternns from a Class

All veterans and others who receive benefits from the Veterans

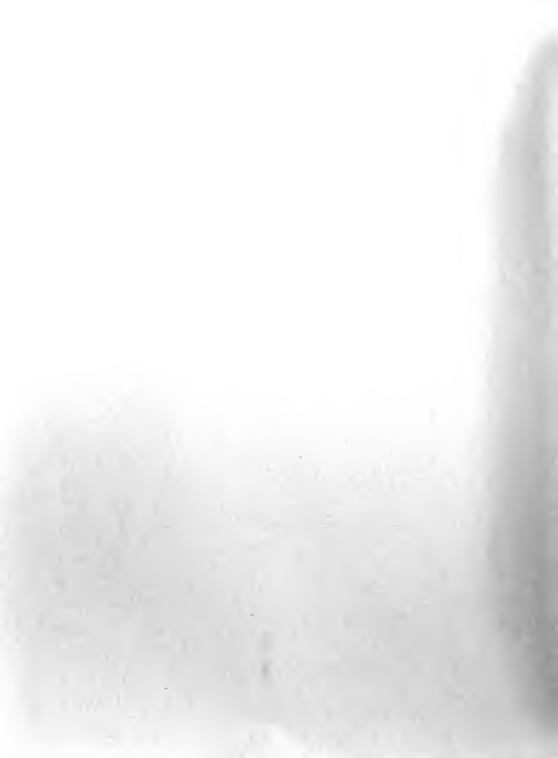

Administration are responsible for informing the Veterans Officer of
any change in enrollment status or withdrawal from USC at Spartanburg.

If a veteran withdraws from a class the USCS Veterans Affairs Office asks

that the faculty member notify the Veterans Affairs Office as soon as

possible of the student's last date of attendance/pursuit by using any
one or a combination of the following four methods:

- last activity (including attendance) reflected in the instructor's records
- 2) last papers submitted
- 3) last examination completed
- 4) student's reasonable statement of last date of attendance

Federal Grant Sechi :

Those persons seeking funding from federal sources will need to parallel the following steps:

- 1. Formulate the idea in writing on 1 or 2 pages.
- 2. Obtain the support of your division chairperson and other persons who would share responsibility for implementing your idea.
- File on A-35 form (From Instructional Services Office-R215) with Appelachion Regional Council Clearinghouse or with George Oliver, Grants Office, University of South Carolina, Columbia, S. C.
- 4. Determine which gui elines best suit your idea by checking:
 - (1) Commeadium of Regulations for All Programs Administered by the Bureau of Post Secondary Education (See Instructional Services Office or Library)
 - (2) Existing guidelines
 - (3) Calling funding agency and discussing matter with them
 - (3) Preliminary discussions with Low Hunley, (Instructional Services) and George Oliver (Columbia)
- 5. Check the Grants Colomba in the Instructional Services Office for deadlines and availability of guidelines.
- 6. Clear the first draft including the budget with Dr. Lou Hunley, Dr. Ron Englis, and Dr. Olin Sansbury.
- 7. Submit a preliminary copy to the U.S.C. Greats Office in Columbia two weeks before the dealline date. The budget and the abstract are the key components.
- At present Dr. B. A. Dactwyler, Vice President of Finance, U.S. C., signs proposals for the University system.

The Instructional Services Office has the responsibility to plan efforts so that proposals are coordinated and add to the framework of academic planning. The office will assist faculty in getting the proposal written, typed and supported. The library has a reference shelf on funding which you may wish to investigate.

You may wish to discuss your ideas before taking any of the above steps. Please contact Dr. Lou Hunley or leave a message with Mrs. Elaine Gilmore (Ext. 200, 201).

GRADE REPORTING

Class rolls will be placed in faculty boxes as soon as received from the Columbia campus. Corrections must be returned to the Records Office on the forms provided. Grade sheets will be placed in the faculty boxes as soon as possible after mid-term (for grades of S and U) and prior to exams. Grade sheets are to be hand-carried to the Records Office (not sent through the mail). Computer deadlines require that all grades be submitted to the Records Office at the time and date designated for each semester. Records personnel are responsible for hand-carrying all grade sheets to Columbia in time to meet these deadlines.

In the event a student withdraws completely from the University after the penalty date, a card will be sent to the faculty member to determine if the student has earned W or WF. These cards are to be submitted to the Records Office for processing.

Should it be necessary to change a grade due to error, this change should be reported to the Records Office. Ultimately, such requests for grade changes are presented for faculty action. However, the grade of "I" may be changed to a letter grade by use of the change of grade Form available in the Records Office for processing.

The Records

Student files are kept in the Records Office and may be used by instructors. However, the files may not be taken from the office area. Also, certain forms for use by students are kept in the Records Office:

Drop-Add-Extra Course Forms--for use by students dropping or adding courses prior to the final date shown on the University Calendar and by students desiring to take eighteen hours (3.0 GPR in previous semester and permission of the Dean for Academic Affirs required)--requires the signatures of instructor and faculty advisor.

Advance Standing Forms--for use by students placed in higher level courses while exempting courses at a lower level--allows students to receive hour credit for courses exempted provided their performance was "C" or better in advanced work.

Validation Forms--for use by students to validate courses by examination

V - 1

Interlibrary loans which are for faculty members' classroom use, not for personal use, can be charged to the school. In order to charge interlibrary loans, the faculty member must have a "Request for Direct Expenditure" form signed by Bob Connelly in the business office and by the division chairman. This form must be given to the reference librarian at the time the interlibrary loan is requested. Forms are available in division offices and in the business office. For any other information about interlibrary loans, call the library.

The librarians provide programs for using the library efficiently. If faculty members want to use this service for their classes, they should call the library to make appointments. Programs are held in the library.

For students' convenience, required reading for courses may be put on reserve in the library. Faculty members must fill out a Reserve Request form (see example in "Sample Forms") for each class, each semester, listing the items that are to be on reserve. Please allow one week for the library to process any materials you want on reserve. Policies for reserve materials are:

Overnight, twenty-four hour, three-day, seven-day, and library use only are the kinds of reserve available.

Photocopies of articles in the USCS library are charged to the departmental budget.

All items remain on reserve until the end of the term when they are automatically removed unless the faculty member notifies the library earlier that an item is no longer needed.

Periodicals and reference works owned by the USCS library will not be put on reserve.

Any work owned by another library will not be put on reserve.

Personal copies of books on reserve should have the owner's name in ink in a conspicuous place.

Titles of personal copies which are needed again and again for reserve should be submitted to the library for purchase.

CHILD DEVELOPMENT CENTER

Day care services are available at the Child Development Center, located on the campus. The hours are from 7:00 a.m. to 6:00 p.m. Children who are three, four, or five years of age have the opportunity to be involved in a total learning experience.

The center's purpose is to help each child develop cognitively, emotionally, socially and physically. Weekly field trips and resource people helpgive the children a better understanding of the world around them. A staff of certified teachers, senior citizens, volunteers and students strives to meet individual needs of the children.

Breakfast and lunch are served to the child as well as two supplemented snacks which meet USDA requirements. Transportation is available. The cost is \$27.00 per week. Visitors are welcome.

LANGUAGE LABORATORY

The language laboratory is used by the faculties of language and music on a regular basis, and periodically by English and continuing education faculty. Pegular language use of the laboratory is during the hours published for labs in the class schedule. It is operated during those hours by student assistants, who are responsible to Dr. Susan Linker. Anyone wishing to use the lab during hours that do not conflict with regularly scheduled instruction should contact Dr. Linker.

ORDERING OF FILMS

All film rental orders are handled through the audiovisual department. Film Request Forms (see "Sample Forms") are available from Becky Patterson HC-243, Jane Bradley A-202, and Division Secretaries. Forms should be returned to Jane Bradley, who will do the ordering.

Films are available from many sources. The major collection of catalogues will be found in HC-243, with some duplicate catalogues in A-202 and at the Rodeway.

Readability Evaluation of Textbooks

Faculty members may request a readability evaluation of their textbooks or of new adoptions under consideration. The evalution determines the reading level appropriate for the text, given as a class level (e.g. tenth grade reading level, thirteenth grade/ or freshman reading level). Requests should be made to Jane Davisson, Room A-216, ext. 260.

Study Skills Programs

Cne- and two-day classroom programs may be requested by faculty members for their individual classes on:

"How to Study"

"Friend or Enemy -- Tests"

"There are Only 24 Hours in a Day"

"How to Memorize"

"Underlining or Outlining?"

Requests should be made to Jane Davisson, Director of the Tutoring Lab, Ext. 260.

Campus Hurse

The Campus Murse, Ms. Wathy Morman, is located in room A-305, Extension 252 for the provision of first aid. She also teaches labs and will not be available at all times. If there is no answer at her extension, contact the Student Affairs Office.

Natural Area

A natural area, including nature trail, outdoor classroom and picnic area, was developed by the Student Government Association in 1975. It is located in the area of the Child Development Center. Reservations for the outdoor classroom are handled by the Student Affairs Office, Ett. 228, 229. Anyone wishing to modify the area in any way should seek the approval of the Facilities Planuing and Utilization Committee, which will establish guidelines for use of the area.

Division Secretaries

Each division has a secretary to aid the faculty members of the division in completing their job related tasks. Division Chairpersons establish their secretary's responsibilities and the procedures to be followed by division members. Mormally, a major responsibility of division secretaries is the typing and preparation of tests and syllabi. All travel vouchers, purchase orders, and requests for supplies are to be handled through division secretaries.

TUTORING LAB

The Tutoring Lab is open to all students at the University. The Lab is staffed by assistants and work-study students who have been oriented to Lab procedures and policies. These staff members have had intensive inservice training to develop competent study skill techniques, to aid students who visit the Tutoring Lab, and to develop communicative skills in order to recognize primary student needs.

The Tutoring Lab represents a genuine concern of faculty representatives from all disciplines at the University to meet the needs of all students at the University.

The following areas are represented in the Tutoring Lab:

- 1. English
- 2. Mathematics
- 3. Social Sciences
- 4. Study Skills for ALL disciplines

The Tutoring Lab hours are as shown on the schedule, 11:00 a.m. to 1:30 p.m. Monday through Friday. However, special times may be agreed upon by the tutor and individual students. Faculty may refer students to the Tutoring Lab as either a voluntary or mandatory undertaking. Attendance is mandatory if the faculty member makes attendance or specific improvements a requirement for satisfactory completion of the course.

The following forms (see "Sample Forms") will be used by the Tutoring
Lab and faculty members in order to facilitate achievement of Lab goals:

- 1. Instructor's Lab Referral Sheet. This form should be used to refer a student to the Lab. The more complete and specific the information provided by the faculty member, the better prepared the Lab staff will be to aid the student.
- Lab Acknowledgment of Student Referral. This form is simply a
 means of letting the faculty member know that the student referred
 to the Lab has reported to the Lab and requested assistance.

3 Tutoring Lab Evaluation of Student. This form provides the referring professor with information concerning competencie, gained by the student.

4. Instructor's Feedback Sheet. This form provides the Lab with feedback from the professors concerning Lab procedures and an evaluation of the student's development.

CAREER PLANNING AND PLACEMENT SERVICES

Career planning and placement services are provided by the Director for Counseling and Career Development and the Placement Counselor. A Career Development Center houses a career information library, a placement office and an office for the director.

The center offers two types of programs: (1) Career Planning and Development and (2) Placement. Included in Career Planning and Development are such services as individual and group counseling, self-awareness programs and career exploration. Tests are administered as needed to determine student's interests and abilities. Presentations are made to students through the academic departments about career opportunities.

The placement program has as its primary purpose placing students in part-time and full-time jobs. Job listings are posted on campus and the chairmen of the academic divisions are notified of opportunities available to students in their fields.

Workshops are conducted throughout the year to provide assistance in filling out applications, writing resumes, and interviewing. The program is affiliated with the College Placement Council on both the national and regional level. The center also has information on some summer jobs for faculty.

REQUEST FOR PURCHASE

This form is to be completed and submitted by the Division Secretary. It requires the signature of the Division Chairperson.

It is important that all requests be submitted well in advance of actual need of the items, since processing in Columbia usually requires two weeks. On major purchases, such as equipment and furniture, the entire process can take twelve weeks or longer, since these items must be put out for competitive bid.

Whereas in the rest some items could be purchased by a Direct Expenditure Voucher, virtually all items must mow be handled by a formal purchase order—to comply with new state purchasing policies. This includes such items as rentals, supplies, hiring of consultants, dues, services. These must now be handled by a purchase order and must be submitted well in advance.

Mo one, faculty or chairperson, should make any commitment to any supplier. Only the purchasing department in Columbia is permitted to make an actual commitment to purchase. EXAMINATION CORE REQUEST FORM

OFF-CAMPUS TELEPHONE CALLS

To dial a number in the Spartanburg area, dial 9 and then the number.

For all other off-campus telephone calls it is necessary to first call the USCS switchboard by dialing "operator". For calls to the Greenville area, one requests the "Greenville line"; for all other calls, one requests the "Columbia line". If there is a waiting list, the requestor will be called when his turn comes, and he will then be notified that the line he requested is available. He then hangs up the telephone, and when it rings again, it should be the line he requested. The following procedures then apply:

Greenville line: dial the appropriate number Columbia line:

On the Columbia campus....

dial the extension (four digits)

Regional or Branch Campus of USC....
dial the extension (four digits)

In Columbia - off campus....
dial 9 and then the number

Out of State....
dial 9 - 1 - Area code - number

Long distance information....
dial 1 - Area code - 555-1212
